

Home Learning – Statistics Activity

Our topic for Maths is Statistics. We are learning to complete tally charts. Complete the following tally chart to find out which vowel is used the most in the following dragon story.

Dragon Story:

Dragons are gigantic, powerful reptiles or lizards. They can have scaly skin, wings and red eyes. They can breathe fire and fly across the sky. A dragon's tooth is believed to bring good luck. Dragons are a real mystery!

Vowel Tally Chart - A E I O U

| VOWEL | Tally (try to use groups of 5) | Total |
|-------|--------------------------------|-------|
| A | | |
| E | | |
| I | | |
| O | | |
| U | | |

Which vowel is the most popular? _____

Which vowel is the least popular? _____
